

Resolution

WHEREAS, the City Council of the City of Cameron finds it in the best interest of the citizens of Cameron to erect additional stop signs and yield signs at the following locations:

9th Street and Milam-- on 9th Street, 2 Stop Signs

WHEREAS, the City Council of the City of Cameron has heard from Maintenance Director Craig Arnold stating the need for the erection of the stop signs based upon facts presented by the City Manager and Chief of Police: The City of Cameron has an inordinate amount of open intersections which present a hazard to our motoring public in terms of the possibility of accidents with no traffic control to prevent such. Open intersections tend to create an increase in accidents and thus to prevent such accidents and reduced the likelihood of injury, it is recommended these traffic control devices be established.

WHEREAS, the City Council of the City of Cameron declares, based on the aforementioned need for additional traffic control devices at these intersections, that by closing the intersection with traffic control devices it shall assist in the safety of the driving public,

WHEREAS, The City Council of the City of Cameron does find for the safety of its' citizens the need to have additional traffic control devices erected,

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of Cameron, Texas approves the installation of traffic control devices at the intersections listed above.

Connie Anderle, Mayor

Craig Arnold, Street Maintenance Director

Amy Harris, City Secretary

Mr. William Spitzma
 called and Request a stop sign at the
 intersection of 9th/Milam, November 27, 2017.
